About the Clinic: This clinic is a MUST for all girls who LOVE basketball! It will be a great beginning for those just starting, but challenging for the more serious player. This camp is designed to improve the skills of players at any level, emphasizing the basic fundamentals of the game, including ball handling, drill skills, team play and sportsmanship. Each participant will be evaluated and placed into a group with other players of similar age and abilities. Individual and team games will be played so participants can put into practice what they've learned. We hope you will join us this summer at Independence for a challenging but enjoyable few days of basketball!

Important Note: Camp participants should be picked up inside the gym promptly when the session is over. Please leave all basketballs at home. No outside balls allowed. Please address all questions to Coach Glasner at bryan.glasner@wcs.edu

Fees: \$60.00 covers instruction and camp T-Shirt as well as any possible awards. **This fee must be paid on the first day of the camp by cash or check made payable to IHS Girls Basketball Camp or you can mail a check to:**
